	(3) Course taught in intensive mode with sessions all day Friday and Saturday in two successive weeks						
	(4) Equivalent to Decision Making Under Uncertainty MATH 5001						

**STUDY PERIOD 6 (TERM 4): 25 Sep to 10 Dec**

	Course Name	Course Code	Face to Face Class Number	Location	Time	On-line Class Number	Teaching Starts
CC	Accounting for Management M	ACCT 5011	60117	CW	Mon 5 to 8		25-Sep
CC	Accounting for Management M	ACCT 5011	60118	CW	Tue 3 to 6		26-Sep
CC	People Org and Leadership	BUSS 5114	60067	CW	Wed 4 to 7		27-Sep
MM	Lean Manufacturing Systems	BUSS 5082				60178	5-Sep
E	Principles of Systems Engineering	EEET 4052	60210	ML	Mon to Fri 9 to 5 (over 1 week)		18-Sep
E	Advanced Consumer Behaviour	MARK 5032	60125	CW	Tue 6 to 9		26-Sep
E	Advanced Consumer Behaviour	MARK 5032				60168	25-Sep

**STUDY PERIOD 7:**

	Course Name	Course Code	Face to Face Class Number	Location	Time	On-line Class Number	Teaching Starts
E	Entrepreneurial Planning G	BUSS 5315	60113 (5)	CE	Fri & Sat 9 to 5		27-Oct
	(5) Course taught in intensive mode with sessions all day Friday and Saturday in two successive weeks. Entrepreneurial Foundations G (BUSS 5298) is a prerequisite for this course						

**SUMMARY**

**Core Courses**

CC	Accounting for Management M	ACCT 5011	
CC	People Org and Leadership	BUSS 5114	
CC	Advanced Marketing	MARK 5025	
CC	Global Business Environment	BUSS 5300	

**Manufacturing Courses**

MM	OHS Law and Risk Management	BUSS 5203	
MM	Production Management Systems	MFET 5024	
MM	Total Quality Management	MFET 5022	
MM	Lean Manufacturing Systems	BUSS 5082	
E/MM	Risk Management	BUSS 5292	

**Elective Courses**

E	Introduction to HRM	BUSS 5307	
E	Risk Management	BUSS 5292	
E	Advanced Consumer Behaviour	MARK 5032	
E	Communication Management M	COMM 5003	
E	Decision Science	MATH 3017	
E	Entrepreneurial Foundations G	BUSS 5298	
E	Entrepreneurial Marketing G	BUSS 5299	
E	Forecasting and Business Analysis G	ECON 5012	
E	Corporate Asset Management G	BUSS 5225	
E	Contemporary Issues in Managing Change	BUSS 5071	
E	Principles of Systems Engineering	EEET 4052	
E	Entrepreneurial Planning G	BUSS 5315	

**TO COMPLETE THE GRADUATE CERTIFICATE (DCMM), YOU NEED TO DO:**

CC	People Org and Leadership	BUSS 5114
MM	One of these courses	
MM	One of these courses	
E	One of these courses (4)	

**TO COMPLETE THE GRADUATE DIPLOMA (DGMM), YOU NEED TO DO (in addition to the Graduate Certificate):**

CC	One of these courses	
MM	One of these courses	
MM	One of these courses	
E	One of these courses (4)	

**TO COMPLETE THE MASTERS (DMMM), YOU NEED TO DO (in addition to the Graduate Diploma):**

CC	One of these courses	
CC	One of these courses	
E	One of these courses (4)	
E	One of these courses (4)	or an MM course

(4) Electives may be selected from those listed on this timetable. You may also select electives from other postgraduate courses offered by the Division of Business. You will need to take pre-requisites and scheduling into account. You should also check prior knowledge expectations with the lecturer in charge of the particular course. Refer to the UniSA web site for the rules relating to these programs. You will also need to get the approval of the Program Director (Peter Balan) to do courses that are delivered by Divisions other than the Division of Business.

**ADMINISTRATIVE INFORMATION**

Entry requirements for the Grad Cert (and these are reflected in the Grad Dip and Master degrees) are:  
 an undergraduate degree or equivalent AND a minimum of two years appropriate professional experience.  
 OR any other Graduate Certificate program delivered by a recognised University arrangement with the Program Director.  
 OR at least six years of appropriate professional experience.

You will need to apply for the Graduate Certificate on line through the UniSA web site  
<http://www.unisa.edu.au/applyonline/default.asp>

When your application has been accepted, you will need to enrol on-line. It is important that you check the class number, location and times for the courses you have selected, as there may have been late changes.

There is no deadline for applications for the Graduate Certificate, Graduate Diploma or Masters – you can apply at any time and enrol in individual courses at any time (before teaching starts). However, it helps us to plan our programs if you enrol in courses as soon as you can.

Tuition fees for 2006 are \$1,900 per course. There is a student amenities fee in addition, and this is about \$50 per course. The University will send you a separate invoice for each study period, as you are progressing through your studies. This means that you 'pay as you go'.

Further information about the Manufacturing Management degrees and the courses that make up these programs is available on the UniSA web site. The relevant Course Coordinators can be reached through the home page for each of these courses.

You are welcome to contact Peter Balan (8302 5121, 0419 828 944, [peter.balan@unisa.edu.au](mailto:peter.balan@unisa.edu.au))
